Śrīla Bhakti Prajñāna Keśava Gosvāmī Mahārāja is the lion ācārya who showed single-pointed shelter of Śrī Gaurāṅga and Śrīla Prabhupāda Bhaktisiddhānta Sarasvatī Ṭhākura by name Vinoda. He is an angel of preaching bhakti and has showered us with the all-auspicious essence of Vedānta [in the form of the teachings of Śrīmad-Bhāgavatam]. As the embodiment of Mahāprabhu's teachings he has slain and cut into hundreds of pieces māyāvāda and all other false paths which provide no shelter. I bow down to him.
